info@rawchallenge.com.au

Youth Wave

A dedicated course designed for 5-12 year olds. It is approximately a 2 ½ km course with approximately 20 obstacles designed to give maximum fun with water, mud and obstacles without the distance of running.

11 & 12 year olds are able to compete in the adult wave if considered to be capable by their responsible parents.

Participants must be accompanied by supervising adults (4 kids per 1 adult).

Supervising adults in a youth wave must purchase a supervisor's ticket to run in the youth wave. Supervisors must be 18 years or over.

Charities Waves

Raw Challenge Doyalson dedicates the last two waves of each day to raise money for its chosen charities. Charity wave tickets are \$66 with \$20 from each ticket going to the designated charity. *Please make sure you purchase the designated charity ticket and not a normal adult ticket (Charity wave is a 6km shortened course – reduced running).

For more information please go to:
